

# Advanced Booking Add On

Take your reservation grids to the next level!

Our **Advanced Booking Add On** will enable any product to credit **Pre-Paid Passes** to a member's account.

These passes can be used to make reservations or sign up for classes or clinics.

If your club has a tennis guest policy on the books, but little way to enforce it, this feature allows members to purchase **Tennis Guest Passes**, then use those passes when booking a reservation type that requires guest passes to be used.

## Tennis Guest Passes

# Use Pre-Paid Passes to Sign-Up

Sign-Up type reservations can be used to enroll members in **tennis clinics**, **swim classes**, or one-time events like **live music nights**. Our Advanced Booking Add On extends the options of our Sign-Up type reservations, by requiring **Pre-Paid Passes** to enroll.

## Guppy

- 1 Pass - \$90.00
- 2 Pass - \$180.00
- 3 Pass - \$270.00
- 4 Pass - \$360.00

Sign-Ups can be added to any of your reservation grids and may be mixed in among member reservations (for example, on your current tennis grid) or put on an admin-only grid used only for scheduling.

Since the passes to enroll are already paid for, members are signed up immediately, which prevents classes from getting overbooked.

Passes also cut down on refunds, since members can un-enroll from clinics or classes and get their passes returned.
